Retreat Wall

Retreat to a quiet spot

Retreat Wall supports agile work in the office by providing a multi-functional, acoustic screen to divide spaces within your office. Soft, upholstered walls create a quiet space to “retreat” to. Available in a variety of configurations and fabrics to suit your space. Accessories include wall hooks, coat hanger, planter shelves and umbrella stand.

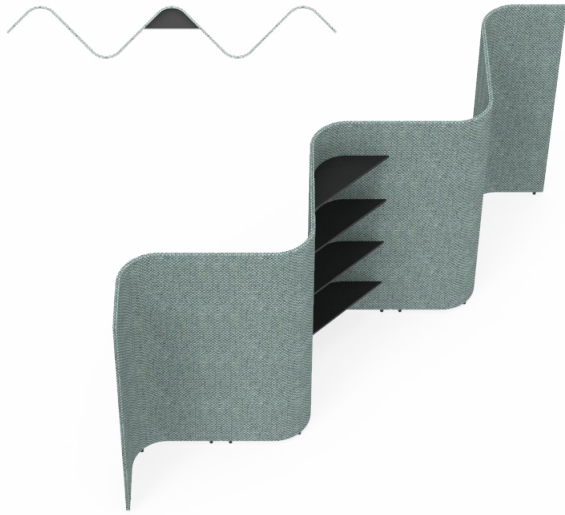

Made from a modular kit of parts, wall panels clip together using Vidak’s unique hidden connection system, which allows future reconfiguration.
